READY-TO-EAT FOOD (RTE FOOD) STATEMENT

21 CFR 117.3

Tilley Distribution certifies to the best of our knowledge that the following product is safe for human consumption at appropriate intended use levels in ready-to-eat (RTE food) applications without further processing required.

Ready-to-eat food (RTE food) is defined as *“any food that is normally eaten in its raw state or any other food, including a processed food, for which it is reasonably foreseeable that the food will be eaten without further processing that would significantly minimize biological hazards”*.
