**Kalama® Benzyl Alcohol NF/FCC**  
(Manufactured in the USA) [UVP:62609620]

**RE:** FDA Food Grade Compliance

Dear LANXESS Customer,

Please be advised that the above-stated LANXESS Corporation product is in chemical compliance with FDA 21 CFR

- § 172.515 Synthetic flavoring substances and adjuvants.  
Benzyl alcohol.

It is subject to the limitations of these regulations and any other applicable regulations.

The product conforms to the current Food Chemical Codex (FCC).

Moreover, the above-stated product is manufactured according to current good manufacturing practice, hazard analysis, and risk-based preventative controls for human food outlined in 21 CFR §117. It is manufactured in compliance to the Food Safety Modernization Act (FSMA).

I trust this information will satisfy your needs. If I may be of any further assistance, please feel free to contact me. Thank you for your interest in LANXESS Corporation products.

Best,

Robert Campbell  
Regulatory Affairs Specialist

*The manner in which you use and the purpose to which you put and utilize our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. This application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us. Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sale. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with patents covering any material or its use. No license is implied or in fact granted under the claims of any patent.*
