## 2022 Site FDA Registration Statement – Cincinnati

The intent of this document is to provide confirmation that P&G Chemical's Cincinnati, Ohio, USA glycerin facility has been re-registered with the FDA as per the requirements for biennial food facility site re-registration.

Section 415 of the FD&C Act requires food facilities that are required to register with the FDA to renew such registrations during the period beginning October 1 and ending December 31 of each even-numbered year.

DUNS Number:	80 – 601 – 9097
Site Re-registration Date:	November 7, 2022
Site Name:	Procter & Gamble Company
Street Address:	5201 Spring Grove Avenue Cincinnati, Ohio, 45217-1094 USA
Site Re-Registration Due:	December 31, 2024

*\*For Excipient Use Only*

1 IMPORTANT NOTE This technical product information, while believed to be accurate and reliable, is given without guarantee or warranty of any kind expressed or implied. Purchaser assumes all risk in acting on this information provided by Procter & Gamble representatives. Individual requirements vary, and each purchaser is urged to perform their own tests, experiments and investigations in the use of Procter and Gamble products and for purposes of determining compliance with applicable Federal, State and local laws and regulations. Nothing contained herein shall be construed as a recommendation to use any product in connection with existing patents covering any material or its use. Moreover, no license is to be implied under any Procter & Gamble patents relating to uses of the above described chemicals other than those uses specifically mentioned herein
