SVHC and CMR Statement

P&G Chemicals Glycerin product(s) is (are) not expected to contain SVHC* (Substances of Very High Concern) and CMR* (Carcinogenic, Mutagenic & toxic to Reproductivity) substances* based on our knowledge in feedstock, manufacturing, storing, and handling information. Please note that P&G Chemicals does not currently test for the presence or absence of SVHC and CMR materials.

*In reference to the CMRs as listed in the **CLP 1272/2008/EC regulation**

*In reference to the latest updated published list

Updated: September 2022

**For Excipient Use Only*

1. IMPORTANT NOTE This technical product information, while believed to be accurate and reliable, is given without guarantee or warranty of any kind expressed or implied. Purchaser assumes all risk in acting on this information provided by Procter & Gamble representatives. Individual requirements vary, and each purchaser is urged to perform their own tests, experiments and investigations in the use of Procter and Gamble products and for purposes of

determining compliance with applicable Federal, State and local laws and regulations. Nothing contained herein shall be construed as a recommendation to use any product in connection with existing patents covering any material or its use. Moreover, no license is to be implied under any Procter & Gamble patents relating to uses of the above described chemicals other than those uses specifically mentioned herein
