Continuing Commodity Guarantee Statement

DyStar Hilton Davis hereby guarantees that all FD&C color additives were manufactured in accordance with good manufacturing practices and, where color additive regulations require certification, are from batches certified in accordance with the applicable regulation promulgated under the Food, Drug and Cosmetic Act.

The article comprising each shipment or other delivery hereafter made by DyStar Hilton Davis to you or on your order, is hereby guaranteed as of the date of such shipment or delivery, to be on such date not adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act, and not an article which may not, under the provision of Section 404, 505 or 512 of the Act, be introduced in interstate commerce.

Every DyStar Hilton Davis FD&C certified color additive and Titanium Dioxide (U.S.P., C.T.F.A. Food Grade) are covered by a statutory guarantee that is not misbranded or adulterated, and is in compliance with the Federal Food, Drug and Cosmetic Act.

C-TPAT Statement

DyStar LP is not a certified participant in the C-TPAT program. We do recognize unsettled times in which we operate and the need to exercise extreme caution in the conduct of our business. DyStar has both site security and transportation security plans in place. These plans are not static. They are under constant scrutiny and are revised as necessary.
