## ORIGIN, GMP, AND HTS STATEMENT

PRODUCT: Capmul® GMO-50

Capmul GMO-50 is produced from glycerin and high-oleic sunflower seed oil and may have a suitable antioxidant added. Glycerin is USP-grade and is from palm, palm kernel, and/or coconut sources which originate in Indonesia, Malaysia, India, Europe, the Philippines, Brazil, and/or South America. The high-oleic sunflower seed oil is produced from non-GMO sunflower seed sources which originate in North America.

Capmul GMO-50 is manufactured at ABITEC Corporation's production facility which is certified ISO 9001 and is located at 1530 S. Jackson St. Janesville, Wisconsin, 53546, in the United States of America. Capmul GMO-50 is produced following applicable guidelines set forth by US 21 CFR §110.

The Harmonized Tariff Code is 1516.20.

Product Stewardship: ABITEC's product stewardship rests with all individuals involved with the products, from the initial concept and research, to manufacture, testing, use, sale, storage, distribution and disposition of each product. Each individual takes the appropriate steps to protect employee health, public health and the environment.
