To Whom It May Concern,

134403 CORBION CI BAKING POWDER

The above item is not halal certified by our facility however all of the ingredients are halal compliant and it is produced under a halal compliant environment.

By definition, all foods are considered halal except the following (which are haram):

- Swine/Pork and its by-products
- Animals improperly slaughtered or dead before slaughtering
- Alcoholic drinks and intoxicants
- Carnivorous animals, birds of prey and certain other animals
- Foods contaminated with any of the above products

Dutch American Foods is the co-manufacturer for this Corbion product. Corbion owns the formula and would be the entity to determine necessity for HALAL CERTIFICATION.

Kind Regards,
