Allergen Statement

USN00904108 NATRACOL Beta Carotene 1% WSP

To Whom It May Concern,

Roha USA LLC hereby declares USN00904108 NATRACOL™ Beta Carotene 1% WSP does not contain any allergens. This includes the following:

- Cereals containing gluten (i.e. wheat, rye, barley, oats, spelt, kamut or their hybridised strains) and products thereof.
- Crustaceans and products thereof.
- Egg and products thereof.
- Fish and products thereof
- Peanuts and products thereof (peanut oil, peanut protein and their products, other peanut derivatives)
- Soybeans and products thereof (soya proteins and their derivatives, soya oil)
- Milk and products thereof (milk powder, milk protein, whey powder, lactose, others)
- Nuts i.e Almond (*Amygda/us communis* L), Hazelnut (*Cory/us ave/Jana*), Walnut (*Iug/ans regia*), Cashew (*Anacardium occidentale*), Pecan nut [*Carya illinoiesis* (Wangenh) K. Koch], Brazil nut (*Berthol/etia exce/sa*), Pistachio nut (*Pistacia vera*), Macadamia nut and Queensland nut (*Macadamia ternifo/ia*) and products thereof.
- Celery and products thereof.
- Mustard and products thereof.
- Sesame seeds and products thereof.
- Lupin and products thereof.
- Molluscs and products thereof.
- Sulphur dioxide and sulphites at concentrations of more than 10mg/kg or 10mg/l expressed as 502.

The following processes are in place to protect our products:

- Allergens are clearly labeled upon entering the facility and stored away from non-allergen materials
- Any finished product bearing an allergen will have said allergen on the label
- When processing an allergen in the manufacturing area designated color coded (yellow) scoops and buckets are used
- Manufacturing will follow the allergen clean up procedure upon process completion
- Allergen swabs are conducted on a regular basis to confirm that the procedure is eliminating any cross-contamination risk

Sincerely,

Tim Santos
