

Calcium Chloride Products

Status of Calcium Chloride Under The Food and Drug Administration (FDA)

The products listed below, when used unmodified, will comply with the U.S. Food and Drug Administration Food Additive Regulation 21 CFR 184.1193 and 21 CFR 582.1193. These regulations affirm that the product is Generally Recognized As Safe (GRAS) for use in human and animal foods respectively. The uses above are subject to good manufacturing practices and any limitations that are part of the regulations. The regulations should be consulted for complete details.
