To Whom It May Concern:

RE: BSE/TSE declaration for Sonneborn, LLC. Refined Products including USP/NF White Mineral Oil, USP Petrolatums & NF Microcrystalline Waxes

Dear Sir / Madam;

Please be assured that the product listed above, manufactured by Sonneborn LLC., are produced to meet the purity requirements of USP/NF. The products referenced above are derived entirely from petroleum hydrocarbons. Animal products / animal byproducts or derivatives thereof are not used in our process nor are introduced into the product before, during or after manufacture. Therefore, based on knowledge of our raw materials and processes, we can state that our products are BSE/TSE free.

Regards,

Charles Sheppard
