

Allergen Status

Food Grade Anhydrous 94-97% Calcium Chloride Pellets BRINERS CHOICE™ Anhydrous Calcium Chloride Pellets LIQUIDOW™ Food Grade Calcium Chloride Solution

The allergenic materials or ingredients listed below are not directly used in the manufacture of the above products and are not intentionally added to the manufacturing process.

While OxyChem does not specifically test for these allergens, based on our knowledge of the manufacturing process and the handling and storage conditions, they are not expected to be present in the above products. Further, there is no potential for contamination since none of these materials are stored or processed at the manufacturing facility.
