Dear Valued Customer,

RE: Tate & Lyle Citric Acid manufactured in Dayton, OH (lot numbers beginning with "DA").

This product is not produced using any ingredients of animal origin. The equipment used for manufacturing, filling and packing this product is not used for the manufacture of any products containing animal ingredients.

This product does not contain any alcohol nor has it been used in the process.

During manufacture, filling, packing, transportation and storage, our products comply with good manufacturing practices.

If I can be of additional assistance, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Heather Broers". The signature is written in a cursive, flowing style.
