

Effective: June 5, 2024

Supersedes: April 16, 2018

DOWFROST™ Inhibited Propylene Glycol-based Heat Transfer Fluids

DOWTHERM™ Inhibited Ethylene Glycol-based Heat Transfer Fluids

UCARTHERM™ Inhibited Ethylene Glycol-based Heat Transfer Fluids

Shelf Life

These products have an assigned shelf life of 5 years, primarily for accounting purposes. In all practicality, the shelf life of these products corresponds to the lifetime of the original container that they were supplied in, provided the container has remained unopened and has been stored under standard warehouse conditions i.e. not subjected to prolonged exposure to direct sunlight nor extreme temperatures.

If you have any questions or require further information, please contact us or visit our website at <https://www.dow.com/en-us/support.html>.

This information is considered accurate and reliable as of the date appearing above and is presented in good faith. Because use conditions and applicable laws may differ from one location to another and may change with time, recipient is responsible for determining whether the information in this document is appropriate for recipient's use. Since Dow has no control over how this information may ultimately be used, all liability is expressly disclaimed and Dow assumes no obligation or liability therefor. No warranty, expressed or implied, is given nor is freedom from any patent owned by The Dow Chemical Company or others to be inferred.
