Dear Valued Customer:

Shelf-life for Glucono Delta Lactone (GDL)

We hereby certify that the shelf life of our Glucono Delta Lactone is two (2) years after manufacturing date subject to the following provisions:

- Material is stored in a cool place.
- Material is stored in low humidity conditions
- Packaging remains intact.
- As storage time increases, discoloration of material may happen.
- Extended storage may cause the material to become hard.
