

CERTIFICATE OF ANALYSIS

Galactic name :	GALACID POWDER 60	Lot N° :	██████████
Galactic ref :	LASDL60	Manufacturing date :	██████████
Product name :	Lactic Acid 60% Powder	Retest date :	██████████
Complies with :	Eur Reg 231/2012 - FCC(1)		(1) Latest Edition

	Unit	Value
PHYSICO-CHEMICAL PROPERTIES		
Description	-	White powder based on calcium lactate carrier
Particle size	µm	Min. 98% < 710µm
SENSORY CHARACTERISTICS		
Colour	-	White
PURITY		
Positive test for lactate	-	Passes test
Lactic acid content	% w/w	██████████
Calcium lactate content	% w/w	██████████
Silicon dioxide content	% w/w	Max. 3.0
Water content	% w/w	██████████
Heavy metals (as Pb)	ppm	Max. 10
Arsenic	ppm	Max. 1
Mesophilic bacteria	counts/g	Max. 1000
Moulds	counts/g	Max. 100
Yeasts	counts/g	Max. 100

All parameters are validated by direct analysis on the final product or through our in-process control and so not tested on every batch.

Approved by S. Debytere, QC laboratory Manager, on ██████████
