FOOD, DRUGS and COSMETICS ACT GUARANTEE

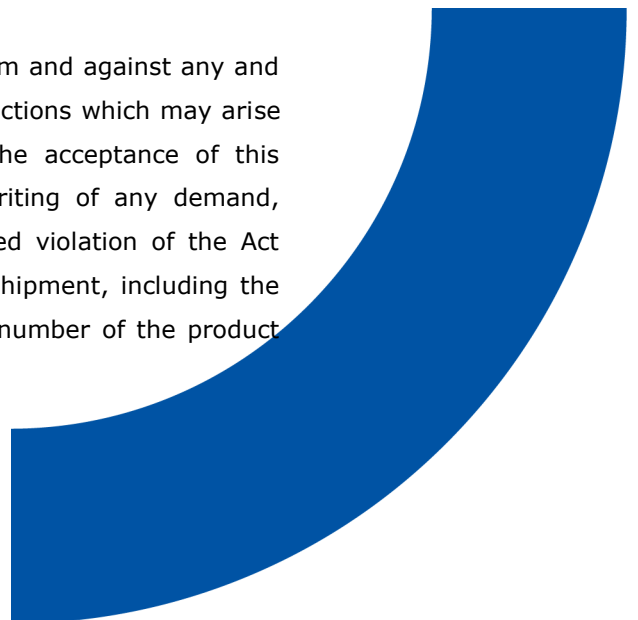

For the purpose of Section 303 (c) (2) of the Federal Food, Drug and Cosmetic Act referencing 21 CFR 101.18, 181, 184, and 186, and for no other purpose, Galactic, hereby guarantees that as of the date of each shipment by it to you of GALACID POWDER 60 such product is not, when shipped, adulterated or misbranded within the meaning of the said Act.

The seller further guarantees that as of the date of each shipment no such product is an article which may not under the provision of section 404 of the Act, be introduced into interstate commerce, provided, however, that the seller does not guarantee against such goods becoming adulterated or misbranded within the meaning of the Act after shipment by reason of causes beyond the seller’s control. This guarantee shall also apply under substantially identical State or municipal regulations.

This guarantee shall however be void and of no effect in any instance where the particular use by you or your customer of any product to which this guarantee would otherwise apply is a use which is not in accordance with the requirements of the Act or applicable State laws.

The seller will indemnify the buyer and hold it harmless from and against any and all claims, demands and damages, liability proceedings or actions which may arise out of a violation or any guarantee made herein. By the acceptance of this guarantee, you agree to promptly notify the seller in writing of any demand, complaint or proceeding within your knowledge for claimed violation of the Act resulting from or in any manner arising out of any such shipment, including the name and address of the complainant and the name and number of the product involved.

These are continuing guarantees and shall remain in full force and effect until the seller revokes same by means of actual delivery of written notice of revocation to buyer. To the best of our knowledge, all products meet respective finished product specifications and are manufactured and packaged using Good Manufacturing Practices. This product conforms to GRAS standards.
