To whom it may concern

**Organic products USDA**

We hereby declare that the following GALACTIC products can be found in the USDA (United States Department of Agriculture) NOP (National Organic Program) Regulatory Text (subpart G - Administrative) of organic products under the § 205.605 resuming the “Nonagricultural (nonorganic) substances allowed as ingredients in or on processed products labelled as organic” or “made with organic” (specified ingredients of food groups):

- Lactic Acid (GALACID)
- Sodium Lactate (GALAFLOW)
- Potassium Lactate (GALAFLOW)
- Calcium Lactate (GALAXIUM) a mix of lactic acid and calcium hydroxide, that are listed separately.

We remain available for any additional information you may need.
