FDA Food Safety Modernization Act – Biennial Registration Renewal

Dear Valued Customer,

This letter confirms that Primient complies with 21 CFR Part 1, Subpart H - Registration of Food Facilities, § 415 of the Federal Food, Drug, and Cosmetic Act including amendments made by § 102 of the Food Safety Modernization Act (FSMA), and Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (the Bioterrorism Act). All our domestic and foreign facilities, that supply ingredients to the USA, have completed the biennial Federal Food Registration during the October 1st to December 31st, 2022, re-registration window. These FDA registration numbers, however, are confidential and as such, Primient does not provide these numbers as a matter of course. These numbers will be provided to Customs when requested by Customs Officials.

If any questions or concerns regarding our FDA registrations or request for additional information, please notify your local Primient representative. Thank you!

Yours sincerely,

A handwritten signature in black ink that reads 'Taiwo Misra'.
