RE: NAFTA Certification for Potassium Metabisulfite for 2010

Dear Bob

The following product is manufactured by BASF in Ludwigshafen, Germany and imported into the U.S. for the period covering 1/01/10 – 12/31/10. Therefore, this product does not qualify under NAFTA Rules of Origin.

Potassium Metabisulfite f.g. 25kg
Tariff Classification Number 2832.20.0000

If you require any further information, please contact me at (724) 538-1299.

Sincerely,

Ryan Taylor
Product Manager
Inorganics
