Re: Specialty Minerals Inc.'s Precipitated Calcium Carbonate Products

All ingredients in this product are natural occurring minerals. The raw materials are mined from natural deposits and are processed by mechanical methods to produce the finished products. Therefore, we have no reason to believe that our products contain or come into contact with any commonly listed allergens.

This would include:

Milk

Eggs

Peanuts

Tree nuts (such as almonds, cashews, walnuts)

Fish (such as bass, cod, flounder)

Shellfish (such as crab, lobster, shrimp)

Soy

Wheat

If you have any additional questions, please give me a call at (413) 743-6205.

Sincerely,
