Dow Propylene Glycol PG USP/EP

Bovine Spongiform Encephalopathy (BSE)/Transmissible Spongiform Encephalopathy (TSE)

This product is made from Propylene Oxide and water. The ingredients and the sources of these ingredients are not of animal or plant origin. The product is produced from organic and inorganic chemicals that have no origin in animals or plants. The raw materials are derived from petroleum products and natural occurring water. There are no additives or extracts of the brain, spinal cord, bone marrow, or eyes of any animal. Therefore, this product has no Bovine Spongiform Encephalopathy (BSE)/Transmissible Spongiform Encephalopathy (TSE) concerns.
