

Answer ID 7649

Propylene Glycol USP/EP - Nutritional Content

Question

What is the nutritional content of Dow's Propylene Glycol USP/EP?

Answer

Nutritional information regarding Dow's Propylene Glycol USP/EP can be found in the table below:

Nutritional Information (Based on 100g Sample)	
Calories (total)*	400
Water (g)	0.2
Ash	0.005
Fat (g)**	0.0
Protein (g)**	0.0
Carbohydrates (g)*	100
Cholesterol (mg)	0.0
Total Dietary Fiber (g)	0.0
Soluble Fiber (g)	0.0
Insoluble Fiber (g)	0.0
Iron (mg)	0.0
Sodium (mg)	0.0
Potassium (mg)	0.0
Calcium (mg)	0.0
Total Vitamin A (IU)	0.0
Vitamin C	0.0
Thiamin (mg)	0.0
Riboflavin (mg)	0.0
Niacin (mg)	0.0
Zinc (mg)	0.0

*Results are based on calculated values as stated in 21CFR 101.9(c)(1) and 21CFR 101.9(c)(6)

**Proteins and fats are not used in the manufacture of PG USP/EP, therefore they are not part of the final composition of the material

Note: The value for all other vitamins, minerals and amino acids is 0.0 for PG USP/EP based on 21CFR 101.9(c)(4), 21CFR 101.9(c)(5) and 21CFR 101.9(c)(8)
