

FOOD DEFENSE AND BIOTERRORISM STATEMENT

Innophos, Inc.'s Manufacturing Locations:

- Chicago, IL USA
- Chicago Heights, IL USA
- Coatzacoalcos, Veracruz MEX
- Geismar, LA USA
- Lowbanks, Ontario CAN
- Nashville, TN USA
- Taicang City, Jiangsu CHN

Please be advised that the above Innophos, Inc.'s manufacturing facilities have developed written food defense plans. Each facility has also completed vulnerability assessments against fraud and deliberate adulteration of its raw materials. These assessments have been audited for compliance to the BRC Global Standard for Food Safety. Where significant vulnerabilities were identified, strategies to minimize or prevent such vulnerabilities were implemented. Additionally, each facility is registered with the FDA under the Public Health Security Bioterrorism Preparedness and Response Act of 2002.

Innophos, Inc. holds its FDA registration numbers and specific contents of its food defense plans confidential. Maintaining the confidentiality of this information mitigates security concerns through limiting public knowledge of our food defense processes and potential vulnerabilities.

Please contact us should you have additional questions.

Regards,

Bryan Kirkland
