

GENERAL STATEMENTS AND DECLARATIONS

Chemtrade Solutions LLC declares the following about the following product:

Sodium Nitrite Free-Flowing Food Grade

Subject	Statement
1,4-dioxane	It is NOT manufactured using supplies or ingredients containing 1,4-dioxane
Aflatoxins	It is NOT derived from agricultural sources and does not contain aflatoxins
Animal Testing	It is NOT tested on animals
Benzophenone	It is NOT manufactured using supplies or ingredients containing benzophenone
BHA/BHT	It is NOT manufactured using supplies or ingredients containing butylated hydroxyanisole or butylated hydroxytoluene
Bioengineered	It is NOT a bioengineered product
BSE/TSE	It is NOT manufactured using bovine-originated ingredients
California Proposition 65	It does NOT require a warning label under the California Safe Drinking Water and Toxic Enforcement Act
California Transparency in Supply Chain Act	The manufacturer of this product complies with the California Transparency in Supply Chain Act
Ethylene Oxide	It is NOT treated with ethylene oxide
Gluten	It does NOT contain gluten and there is no risk of cross contamination
GMO	It is NOT manufactured using ingredients sourced from GMO crops
HBCD/HBCDD	It is NOT manufactured using supplies or ingredients containing hexachlorobutadiene or hexabromocyclododecane
Heavy Metals	It does NOT contain heavy metals that exceed levels required by the Food Chemicals Codex for Sodium Nitrite
LC-PFCA	It is NOT manufactured using supplies or ingredients containing long-chain perfluorocarboxylic acids
Melamine	It is NOT manufactured using supplies or ingredients containing melamine
Natural	It is NOT considered a natural material
Organic	It is NOT certified as organic
Palm Oil	It is NOT manufactured using supplies or ingredients containing palm oil
Partially Hydrogenated Oils	It is NOT manufactured using supplies or ingredients containing partially hydrogenated oils
PBDE	It is NOT manufactured using supplies or ingredients containing polybrominated diphenyl ethers
Pesticides	It is NOT treated with pesticides
PFAS/PFOS/PFOA	It is NOT manufactured using supplies or ingredients containing per- and polyfluorinated substances including perfluorooctanoic acid and perfluorooctane sulfonate
Phthalate Esters	It is NOT manufactured using supplies or ingredients containing phthalate esters
Polyolefin Elastomers	It is NOT manufactured using supplies or ingredients containing polyolefin elastomers
Radiation	It is NOT irradiated or exposed to ionizing radiation
Ready-to-Eat	It is NOT considered ready-to-eat as we do not perform release testing for biological hazards and it is not intended for direct sale to consumers without further processing
Sewage Sludge	It is NOT exposed to sewage sludge
TBHQ	It is NOT manufactured using supplies or ingredients containing tert-Butylhydroquinone
Vegan/Vegetarian	It is suitable for Vegan and Vegetarian consumption as no ingredients are derived from animal sources.
