

CONTINUING GUARANTEE

This will serve as a Guarantee that as of the date of shipment, all products produced and sold by Niacet Corporation listed as follows:

Calcium Propionate
Sodium Propionate
Sodium Acetate
Sodium Diacetate
Sodium Trihydrate (60%)
Calcium Acetate
Sodium Stearoyl Lactylate

Will:

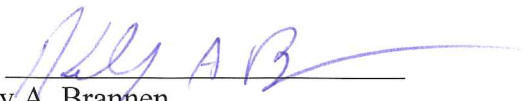

1. Meet all Niacet Corporation specifications for the Product as set forth on the specification sheets currently published on the Niacet Corporation's website (www.niacet.com).
2. Be, on such date, not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, and not an article which may not, under the provisions of section 404, 505, or 512 of the act, be introduced into interstate commerce.

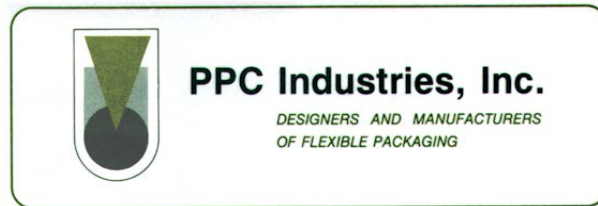

This guarantee shall:

3. Be a continuing guarantee for all shipments of the Product purchased from Niacet Corporation from this date unless and until it is cancelled, terminated, amended or supplemented by a written document with specific references to this Guarantee.
4. Specifically replace any existing Guarantee given by Niacet Corporation to Buyer covering identical Product.
5. Cover only the Product in its unmodified form, condition and packaging as of date of shipment.
6. Not guarantee that the Product complies with foreign laws or regulations.

Guaranteed Under Federal Food, Drug and Cosmetic Act

The undersigned hereby guarantees that the bags manufactured by PPC Industries, Inc., to the order of Niacet Corporation are in compliance with the Federal Food, Drug and Cosmetic Act as amended within the means of said act.

The products comply with FDA 21 CFR. 177.1520 Olefin Polymers, and may be safely used as articles or components of articles intended for use in contact with food subject to the provisions of this section.

This certification will remain in effect until cancelled in writing by PPC Industries, Inc., Pleasant Prairie, Wisconsin.

Very truly yours,

Michael Xiong
Quality Assurance Manager

MX/smk

NOTE: It is the sole responsibility of the end packaging user or packager to conduct necessary product testing to determine suitability of the packaging for their product use and specific application.
