Bovine Spongiform Encephalitis – TIXOSIL and TIXOLEX

Dear Customer:

Please be advised that Rhodia Silica, a Member of the Solvay Group, does not use any material of animal origin in the manufacture of our precipitated amorphous silicas and sodium aluminosilicates, marketed and sold under the TIXOSIL and TIXOLEX tradenames. Therefore, these products cannot be a source of Bovine Spongiform Encephalitis (BSE).

Sincerely,

Jennifer C Berth
