Product name: Trilon® CA Food Grade, Trilon® NA Food Grade
PRD number: 30088948, 30089229

Gloria Feehley
Tilley Chemical Company Inc.
Baltimore, MD

Dear Ms. Feehley;

The products listed above are produced solely from synthetic raw materials. No material used in the manufacture of the product is of bovine or of any animal origin (either whole or part). In addition, the equipment used to manufacture the product is not used to produce any products of bovine or of any animal origin. Therefore, based upon knowledge of the manufacturing process and the raw materials utilized, the transmission of BSE/TSE via the products listed above is not expected to occur. The products listed above are not irritating to the eyes or skin.

Regards,

Teresa Ipsale
